Amendment No. 150
to the Clarington Official Plan

Purpose: The purpose of this Amendment is to add the Soper Hills Secondary Plan to the Clarington Official Plan. This Secondary Plan creates a planning framework that will guide and facilitate the development of a complete community in east Bowmanville. The Secondary Plan includes Urban Design and Sustainability Guidelines, which are not an operative part of the Clarington Official Plan.

Location: This Amendment applies to a 193-hectare area located on the east side of Bowmanville. The Secondary Plan Area is generally bounded by Regional Highway 2 to the south, Lambs Road to the west, the Canadian Pacific Railway to the north, and Providence Road, as well as its unopened road allowance to the east.

Basis: The Bowmanville East (Soper Hills) Landowners Group Inc. (Landowners Group) is an incorporated body representing the majority of the land within the Secondary Plan Area. Weston Consulting, on behalf of the landowners' group, requested the initiation of the Secondary Plan process in early 2018. Council authorized the commencement of the Soper Springs Secondary Plan in April 2018.

This Secondary Plan is based on extensive technical study and public engagement. It incorporates recommendations of the Soper Creek Subwatershed Study and has been informed by a Preferred Land Use Alternative Report, a Preliminary Municipal Engineering Report, a Transportation Assessment Report, and a Background and Analysis Summary Report. Public and landowner input was received through Public Information Centres held in March 2019, June 2022, December 2023, at the Public Meeting in June 2025, meetings with the Bowmanville East Landowners Group, as well as through Steering Committee Meetings.
